Re: Bond Escalation and Reclamation Cost Estimate

Dear Mr. Hedberg:

We are in receipt of your certified letter dated 11/6/03. After reviewing your letter, we are requesting an extension of 60 days to complete the reclamation cost estimate. Due to the holidays, vacations and other priorities, the required internal resources are not available to complete this work before the end of the requested extension. Also, from my phone conversation with Mr. Doug Jensen, I understand that the on-site inspection will not occur until after the submission of the reclamation cost estimate.

I look forward to hearing from you. Please call me if you have any questions at (435) 665-2241 ext. 106. If you prefer, my email address is gfoy@reillyind.com. Thank you for your consideration and response to this matter.

Very Truly Yours,

REILLY INDUSTRIES, INC.
